Leadership of NAIT Family of Islamic Centers

AsSalaamu Alaykum wa Rehmatullah

Dear Brothers/Sisters:

Insha'Allah, this letter will find you and all the brothers and sisters in your community in good health with strong Islamic spirit in the cause of *Allah Subhanahu wa Ta'ala*

We invite you and your masjid to participate in an important study. The North American Islamic Trust (NAIT) is facilitating "Needs Assessment Study" of all the masjid that are associated with NAIT, ISNA or MSA.

This "Needs Assessment Study" study is an effort to determine the needs and priorities of masjid so that together we can work to improve, grow and strengthen our masjid. NAIT's goal has always been to serve the masjid of the United States, and what better way to pursue that goal than gaining an understanding of what it is that masjid want and need. Based on this information NAIT can do a better job of trying to meet those needs, *inshaAllah*.

This "Needs Assessment Study" is in the able hands of Dr. Ihsan Bagby, ISNA's Masjid Development Committee and the Islamic Centers Division of NAIT. That brings together a diverse group of Muslim leaders. Dr. Bagby is the lead scholar and administrator. He has a long history of involvement in the American Muslim community and has already conducted two previous national masjid studies in 2000 and 2011. Dr. Bagby has the expertise for such a study, and has also gained the trust of NAIT and ISNA to maintain the privacy of participating masjid.

We can assure you that your responses will be confidential, meaning that your individual responses will not be available to anyone, even to NAIT and ISNA.

Dr. Ihsan Bagby will mail the questionnaire. I encourage you to fill out the questionnaire and return it to Dr. Ihsan Bagby.

In return for filling out the questionnaire, you will receive a full report of the "Needs Assessment Study."

JazakaAllahu Khairan for your service to Islam and your Muslim community.

WasSalaam,

Your brother in Islam,

Mujeeb Cheema
Executive Director, NAIT
